OCTOBER 2014

Recognition Dinner Oct. 28

October is fire prevention month. On Tuesday, October 28 the Township Board is hosting a recognition dinner for our Firefighters and their spouse/guest. Social time will begin at 6:30 with dinner served at 7:00. Retired firefighters and their spouse/guest are invited as well as members of the Flamettes and their spouse/guest. All of these individuals deserve our thanks and recognition for a job well done in service to the Solway Community.

When individuals volunteer as firefighters they not only respond to fires, accidents or medical emergencies but also put in hours for maintenance of equipment, planning/business meetings and training opportunities to acquire needed skills and to maintain certifications. Being a firefighter is a family commitment as well. Family members wait at home to hear from their loved one that may be in "harm's way". Helping others takes time away from family members at home.

Our current firefighters are: Jim Johnson—Interim Chief, Jeff Nelson—Treasurer and 1st Captain, Nick Priolo—2nd Captain, Casey Modich—Medical Officer, Chris Tverberg—Fire Marshall, Bob Priolo—3rd Captain and Fire Training Officer, Boo Hanson—President, Michelle Haltli—Secretary, Jeff Keppers—Vice-President, Josh Hughes, Shawn Monson, Eric Monson, Nick Hite, Matt Kuypers.

Equally important is recognizing our employees Leon Forstrom, Veronica Childers and Paul Dunaiski who do our grounds keeping and building maintenance; Jim Miller who supervises the recycling shed operation and John Childers who continues to volunteer cutting the roadside grass and in helping with other maintenance needs.

We appreciate their keeping our Townsite grounds, buildings and the Solway Cemetery in good condition. We receive many compliments that our facilities are always beautiful and inviting.

Halloween Carnival Friday, Oct. 24

It's rumored that ghosts and goblins will be haunting the town site again this fall. While I'm not sure about that, I can guarantee an evening of fun, games and treats at the Solway Halloween Carnival to be held Friday, October 24th from 6:00 to 9:00 pm. Skill games challenge the young while less venturesome activities such as the cake walk and bingo entertain the young at heart.

Youngsters have a chance to show their costumes by taking part in the costume parade. Purchasing a chance may bring home a prize. Don't worry about supper as there is plenty of food at reasonable prices. All games are family priced. Bring the whole family and have a SCARE?

Proceeds fund Solway Community Events.

Snow Removal for 2014-2015

St. Louis County will be providing snow plowing on our Township roads again this year. Paved roads are plowed as snow accumulates but dirt roads won't be plowed unless four inches accumulate. It's very difficult to remove snow in early winter and early spring when gravel road surfaces are not frozen. The plows gouge into the gravel surface causing ruts and plowing the gravel into the ditches.

County plow operators try to leave as little snow as possible across driveways. County removal of this windrow is not feasible and is the property owners responsibility. A suggestion is when you plow your driveway, also plow the road driving lane closest to your property about 25 feet or so in the direction the plow comes from. As the plow approaches and hits the plowed area the plows snow load will empty leaving very little to go across your driveway. We are reminded that it is unlawful to plow or blow snow onto or across County Roads.

Solway Township is not responsible for any property damage or clean up due to snow plowing.

Township Roads include:

Ayers—0.2	Mettsa—0.25
Bailey—0.2	Peterson—0.3
Berquist—0.9	Sandberg North of Hwy
Birchway—0.25	#2—0.65
Cedarway—0.2	Sandberg South—1.25
Gaus—0.6	Stonelake—0.4
Hanson—0.9	Strom—0.25
Heine—0.5	Tondryk—0.5
Jeffrey—1.25	VanGassler—1.25
Jerry—2.15	Wargin—0.5
Lindrose—1.0	Woodgate—0.6
Mattson North—0.3	
Mattson South—0.5	Total Mileage 14.9

If you would like a copy of St. Louis County's Snow Removal Policy Synopsis, contact the Solway Town Hall office.

Road Maintenance Update

Roadside grass cutting, brushing and ditching is completed for 2014. Hopefully cutting back the brush and foliage will improve visibility as you pull out of your driveways, provide better visibility of deer and other animals approaching the road surface, and reduce drifting of snow on the roads. Roads will continue to be graded into the fall as needed and weather permits.

Cemetery Reminder

Township Cemetery regulations require that all flowers and plants allowed in our cemetery must be removed by Sept. 30. Beginning Oct. 13, township personnel will remove all flowers and plants from the individual grave sites and assemble them inside the cemetery fence north of the Van Gassler Road entrance where they will stay until Oct. 27. After Oct. 27 all unclaimed flower pots, holders, etc. will be disposed of by township personnel. Please claim all items by Oct. 27. Our cemetery American Flag will be retired for the winter months to be re-flown next spring.

Country Music Show

August marked the beginning of the Music Show's 8th year at the town hall. Be sure to thank Bill Pelto and the musicians for their commitment to our community. We are fortunate to have live music performances available for your enjoyment. If you haven't ever attended a show check them out.

Bill Pelto and his musicians/singers will be performing this calendar quarter on Saturdays, Oct. 11, Nov. 8 and Dec. 13th. These dates are the second Saturday of each month. Prior to the music show a potluck is held at 5:00. If you wish to participate bring a dish to share and join us. Music and dancing begins at 6:00 and usually ends by 9:30. There is no admittance charge but free will donations are welcome to cover expenses.

Skating Fun

Plans are made for getting our skating rink flooded and the ice readied for another winter of skating fun as soon as the weather permits. Last year the cold temperatures and over abundance of snow limited outdoor activities. Hopefully it will be a nicer winter this year.

We really try to have ice laid for school holiday breaks. When the rink is opened it will be posted on the township sign. Feel free to use the rink anytime at your family's convenience. The rink is lighted from dusk to 10:00 pm everyday.

For your comfort the warming house will be open on Saturdays and Sundays from 1:00 pm to 6:00 pm. During this time a township staff member will be available to sell hot chocolate and assorted goodies. Staff will be manning the counter and not be in a position to provide supervision on the rink so it's important if your children are an age needing supervision that you or another adult will be present. Needless to say if we have bad weather on the weekend the warming house will be closed, as skaters won't be expected to be out. Enjoy!

Town Hall Improvements Update

After completion of the design for our new septic system and subsequent review by St. Louis County sanitarians, the needed permits for installations of the system have been received. Shelton Excavating will be installing the system beginning the last week of September. They will also replace the line from the hall to the septic tank and run a camera to ensure lines within the building are not in need of further repair. It's anticipated use of the hall will not be impacted by this work.

The installation of the new upstairs exterior doors is near completion. Re-ordered window-glass, door closure and too narrow threshold plate from the manufacturer has delayed this project. Comments by residents about the new doors have been favorable and they are seen as a welcome improvement.

Fire Department Information

The National Fire Protection Association (NFPA) requires smoke alarms in every bedroom, outside all sleeping areas, and on every level of the home, including the basement.

According to the NFPA, working smoke alarms cut the chance of dying in a fire in half. Meanwhile, roughly two-thirds of all home fire deaths result from fires in homes with no smoke alarms or *no working* smoke alarms.

There are two different types of smoke alarms: ionization and photoelectric. An ionization alarm is more responsive to a flaming fire, such as a kitchen pan fire. A photoelectric alarm is typically more responsive to a smoldering fire. Combination smoke alarms have both ionization and photoelectric capabilities. In accordance with NFPA, your fire department recommends installing either combination alarms, or both types of alarms, in bedrooms as well as throughout the home.

Interconnected smoke alarms offer the best protection; when one alarm sounds, they all do. A licensed electrician can install either hard-wired multiple-station alarms, or wire-less alarms. This is particularly important in larger or multiple-story homes, where the sound from distant smoke alarms may be reduced to the point that it may not be loud enough to provide proper warning. Smoke alarms detect and alert people to fire in its early stages, giving people the needed time to escape safely.

Your fire department offers the following tips for making sure the smoke alarms in your home are maintained and working properly:

- Install smoke alarms in every bedroom, outside each sleeping area, and on every level of the home.
- Test smoke alarms at least once per month using the test button, and make sure everyone in your home knows their sound.
- If an alarm "chirps", warning the battery is low, replace the battery right away. Replace all smoke alarms, including alarms that use 10-year batteries and hard-wired alarms, when they're 10-years old (or sooner) if they do not respond properly when tested.

If anybody has questions and/or concerns about the updated smoke alarm requirements you may contact any member of the fire department or call the fire hall at 729-5134. You may also visit the NFPA's website at www.nfpa.org/smokealarms for more information.

As reported in the July issue of Solway Section Lines, the township is purchasing a new rescue vehicle. It was mistakenly reported as being a 2014 Ford F550 chassis. Actually the chassis is a 2015 Ford F550. We hope to receive delivery of the vehicle prior to the first of the year.

## National Night Out In Review

On Tuesday, Aug. 5th we had our third National Night Out. Estimates were that we had over 250 residents attending the event.

The kids enjoyed the face painting and Butch Hansen's train rides. The Solway Volunteer Fire Departments Open House was well attended. Adults and kids enjoyed trying their hands at handling the fire hose. SLC Sheriff's Canine unit and other deputies were on hand to answer questions and interact with those attending. Valerie Fox put on a dog obedience demonstration with a number of her canine's.

Literature was provided on a number of topics including: USDA loan information, Address Confidentiality for domestic violence, Medical Assistance for families, and voting information.

The door prizes were won by: Kris Anton, Butch Lund, and Lyle Hultgren.

Free hot dogs, chips, beverages and ice cream were enjoyed by all. We received many comments that it was an informative and enjoyable evening – that we should do it again!
